DESCRIPTION:

Teatro7 is first and foremost culture, conviviality and creativity; in fact, thanks to the variety and originality of the recipes proposed, it is possible to approach with great pleasure not only the preparation of the dishes but also the tasting of everything that includes the ritual of "Culture on the Table", which highlights the refinement and the authenticity of Italian products. An original location to be experienced actively and where meetings, press lunches, product presentations and tastings can be organized with an innovative and creative formula.
